Angela Ikomoni
Co-Pastor

Pastor Angela has been called to minister the **undiluted Word** of God to a hurting world. Her testimony of being healed from ovarian and bladder cancer without the help of any doctor's medicine is inspiring. She totally put her **faith in God** for her healing. It has caused many, even the doctors to question "Who is this Woman?" The answer; as they now call her, the woman with the **radical faith**. Her testimony has changed many lives, and has given them hope.

Pastor Angela started her walk with Christ at the age of nine. At the age of 9 she experienced transfiguration; something powerful when she got baptized. As she came up from under the water, the Holy Spirit came upon her uncontrollably. They took her from the baptismal pool, wrapped her in white sheets, and took her to the altar where she received the baptism of the Holy Spirit.

Although she is a Jamaican by birth, she lived in the US most of her life, and spent most of her life working in different areas of ministry. Counseling for 18 years; Pre-marital, marital and family. **Pastor Angela** does not look at the degrees she earned in Bible School or college as the main source of her calling but the wakeup call that was given to her in 1994 by the Lord Jesus Christ, when he gave her one more chance with an out of body experience.

Pastor Angela and her husband Alexander has been in full ministry since 2007 as Senior Pastor and Co-Pastor of White Dove Church of God in Stockbridge GA. They have three children; Natassia, Alexis and AJ, who are filled with zeal for Christ.

Pastor Angela has shared her testimony of her success as well as her downfall with others and let them know how God has raised her up, so they too can be restored through Jesus Christ. She does not limit God to what he can do. THINK BIG, HAVE FAITH, AND WATCH GOD WORK! Her favorite scripture is Proverbs 3:5-6 "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."
